I, \_\_\_\_\_, have read and understand the following Mixed Credit for Graduate Credit Policy:

Print full name

*Initials*

- \_\_\_\_\_ Students must be admitted to an Accelerated Master's degree program for the semester after receiving a bachelor's degree to be eligible for mixed credit.
- \_\_\_\_\_ Depending on the Accelerated Master's degree program, 6 to 12 hours of specified graduate credits can be mixed credit eligible. Requests to exceed these limits must be approved by the Graduate College.
- \_\_\_\_\_ Courses completed for graduate credit under Mixed Credit can be applied toward the undergraduate degree and graduate degree. Students may need to see their undergraduate department to have course substitutions submitted towards the undergraduate degree.
- \_\_\_\_\_ Mixed credit forms must be completed and submitted prior to, or at the time of registration.
- \_\_\_\_\_ See <http://graduate.missouristate.edu/catalog/gradcollege.htm> for further details.
- \_\_\_\_\_ **I understand that this form only gives mixed credit permission for the course(s) listed. I must still register myself in the course(s) through the Missouri State University course registration system after this form has been approved and processed.**
